STATUS INQUIRY

Re: U.S. Patent Application No. 10/714,808
Title: Method and Apparatus for Distributing Fragrance on a Cleaning Surface
Filed: 11/13/03
Examiner: David Redding
Art Unit: 3723
Attorney Docket #: H2687

Dear Sirs:

This matter is currently shown as abandoned for failure to respond to an office action mailed January 25, 2008. An Amendment and three month extension was filed on July 25, 2008 in the above matter and a filing receipt obtained (see attached copy). Since the filing of our Amendment, we have received no communications from the PTO. This matter is listed as abandoned even though a response was filed.

Accordingly, we request a status inquiry and would appreciate someone contacting us to report the current status of this matter. Thank you for your assistance.

Sincerely,

Kenneth J. Stachel
Attorney for Petitioner
Registration No. 27722
